PROFESSIONAL SUMMARY

Motivated and detail-oriented Software Engineering graduate with hands-on experience in Manual Testing, Functional Testing, Test Case Design, Bug Reporting, and API Testing using Jira and Postman. Passionate about ensuring software quality, identifying defects, and continuously learning modern QA practices. Seeking an entry-level QA/SQA opportunity to contribute and grow in a professional environment.

EDUCATION

Riphah International University, Islamabad | Bachelor of Science, Software Engineering 2022-2026
Relevant Coursework: Database Systems, Software Engineering, Software Quality Assurance

TESTING SKILLS (SQA)

Manual Testing	Smoke Testing	Functional Testing	Sanity Testing	Regression Testing
Bug Reporting	API Testing	Test Case Design	Test Scenario Design	

TOOLS & TECHNOLOGIES

Jira	Git & GitHub	Testworthy	HTML CSS	Enterprise Architect	Javascript (Basics)
------	--------------	------------	----------	----------------------	---------------------

EXPERIENCE

QA Intern – Developers Hub

- Executed manual testing on web application modules to identify functional and UI defects.
- Designed and executed test cases based on project requirements.
- Reported and tracked defects using Jira.
- Collaborated with developers to verify bug fixes and improve software quality.

PROJECTS

Open House Connect – Final Year Project

Web-based platform connecting students, universities, and recruiters for open house and recruitment management.

- Designed functional test scenarios for key modules.
- Performed UI validation across major workflows.
- Executed manual testing for registration, login, and user management.
- Reported issues and verified fixes.

Manual QA Testing Project – Daraz.pk

Tools: JIRA, GitHub, Postman

- Designed more than 25 manual test cases covering authentication, search, cart, checkout, and order placement.
- Reported defects with detailed reproduction steps.
- Managed issues using Jira.

LEADERSHIP EXPERIENCE

Logistics Head – Computing society – RIU

- Planned and coordinated logistics for student events.
- Managed volunteers and event resources.
- Improved event execution through effective coordination.

General Secretary – Riphah Green Club (RGC) – RIU

- Organized awareness campaigns and sustainability initiatives.
- Led planning meetings and coordinated club activities.
- Promoted teamwork and campus engagement.
